

Advantages of Gurimur® Wallcoverings

Attractiveness

Gurimur® is a ready-made wallcovering, available in a wide range of structures, colours and patterns, to suit every interior.

Cleaning

Gurimur® can be cleaned, disinfected or washed countless times. Many obstinate stains, such as coffee, tomatos, grease etc., can be removed without problems.

Lifetime

Gurimur® will stay attractive for many years. It is very light-fast and classified as "Heavy Duty EN 259:1992. Gurimur® will remain attractive much longer than paint.

Chemicals

Gurimur® withstands air pollution and is resistant to a large number of chemical products.

Health

Gurimur® does not contain any unhealthy components or micro-glassfibres. No skin irritation will be caused by its application.

Smell

Gurimur® is a ready-made wallcovering and does not develop any unpleasant paint smells.

Renovation

Gurimur® can be pulled off the wall at a later time of renovation. No costly sanding down or smoothing over is necessary.
